Scope of stock market astrology as an analytical tool in finance

Mahendra Kumar PS

Abstract
Consulting with an astrologer who is well-versed in financial astrology may provide fruitful results for businessmen, especially those who are engaged in industries where future prospects can’t be predictable with usual analytical tools. "Walt Disney used astrology for picking up the auspicious time for launching his multi-million-dollar entertainment projects." The legendary stock & commodities trader W. D. Gann had also used astrological principles to his analysis whenever he delivered those astonishingly accurate market forecasts." Billionaire J.P Morgan consults with his astrologer (Evangeline Adams) before taking most important business/investment decisions. Adams once noted that "J. Pierpont Morgan, the world's biggest & greatest financial analyst, drove the world before him because he had astrology behind him."

Introduction
For accurately predicting one native’s chance for success in stock market, an astrologer must understand those planetary combinations that may bring positive/negative effects. Let’s discuss some of them.

The placement of planets positive for investments
1. Lagna lord in 5th house or 11th house - fortunate placement for investments/trading.
2. Dhana bhava lord in 5th house.
3. Dhana bhava lord in 2nd / or in 11th
4. 4th bhava lord in 5th bhava.
5. 4th bhava lord in labha (11) bhava.
6. 5th lord and or 11th lord in 7th bhava will result in wealth gain after marriage via spouse or through Partnership business
7. Bhagya bhava pathi in 7th house,
8. Bhagya nadha in labha bhava.
10. Labha nadha in lagna rashi
11. Labha nadha in dhana sthana.
12. Labha sthana pathi in bhoomi sthana (4th house) will results in huge profits through real estate/alternative investment funds/ Hedge funds/ Venture capital funds.
13. Labha pathi in budhi sthana (5th house) will give lot of wealth from speculation.
14. Aaya nadha in bhagya sthana
15. Labha pathi in own house.
16. Chandra, Guru, 2nd, 4th, 9th and the 11th bhavapathis are well placed in both Rasi and Navamsa charts.
17. Bhava nadhas of 2nd, 4th and the 9th houses are beneficially placed and aspectsed by Moon.
18. 2nd and 9th bhavapathis are posited in the Labha sthana along with Chandra and guru.
19. Dhana bhava nadha placed in the labha sthanam and Labha pathi placed in the dhana bhavam. (This is called 'parivarthana yoga' involving dhana and labha sthanas)
20. If the 1, 2, 5, 10 and 11th bhava nadhas are connected with each other, then that native will make an excellent career in share market.

21. If the 2, 5, 9 and 11th bhava pathi have ucham or in own house, and in ishta sthanam and free from any papa yogam or drishti, this will be an indication of native's success in stock market.

22. If the 5th bhava nadha in the dhana bhavam and karma pathi is placed in the Budhi bhavam or labha sthanam, the jathaka will earn wealth from stock market.

23. If the Dhana karaka Brihaspathi is placed in lagnam and 2/5/9 bhava pathi's aspect are there on Jupiter, it indicates success in share market.

24. If Rahu and Guru are placed in kendra or trikona bhava or If Rahu and guru are connected with kendra or trikona bhava nadhas through Yoga/veekshanam, then the jathaka will reap gain from Market.

25. Bhava lords of 5th, 9th &11th placed in kendra/trikonam and connected with shubha grahas or bandhu grahas, then it will be benificial.

26. If there is “Chandra Mangal Yoga” (Moon-Mars conjunction) in Jathaka and guru, Rahu or Budhan placed in 11th bhavam, the person will gain immense wealth through share market.

27. If 5th and 4th house lord are co-joined and placed in kendra/trikona rashi or anywhere placed but having a drishti on thapa sthanam, then that person will invest in share market and gain a lot.

The planetary positions which are hazardous for investments
People with these placements should never attempt investments in stock markets.
1. Dhan nadha in 1st, 6th, 8th or 12th bhavas
2. Mathru bhava pathi in 3rd, 6th, 8th or 12th bhavas.
3. Budhi bhava pathi in 6th, 8th or 12th bhavas.
4. Labha nadha in 10th, 6th, 8th or 12th bhavas.
5. If Chandra is in 8th bhava in horoscope you can earn some money but will gradually face some losses too. (Due to this reason that native is unable to make profit for a longer period in the stock market)

Conclusion
If we analyse a horoscope thoroughly, we can predict a person’s financial wellbeing, net worth, and future economic situation. So, On the basis of above-mentioned astrological principles, horoscopes can be examined to predict whether that native shall make a career in stock market or not. These predictions can also be used to evaluate the extent of gains as well as losses of the native in the investment arena. It can also help to recognize the appropriate time to invest in stocks and thereby maintaining a stability amidst stock market speculation. That’s why the famous quote:
“Anyone can be a millionaire, but to become a billionaire you need an astrologer”: JP Morgan.
