Seventh bhava and marriage life: Mars dosha

J Haresh

Abstract

Marriage is said to be matched in Even. In reality, so many marriages are also matched by Astrologers in today's world. In this article the focus would be the match making overview and how they are matched. The result could be success, or divorce or separated.

Keywords: Marriage, matching, types of match making

Introduction

In the Natal Rasi chart, Guru & Venus is said to be the planets that leads to marriage and harmony. The natural Benefic is said to benefic the marriage and good relationship. The same way natural malefic planets are said to destroy the marriage.

Seventh House and Marriage

Brihat Parasara Hora Sastra on Seventh House as follows:

जायाभावफलं वक्ष्ये शृणु त्वं द्विजसन्तम ! |
जायाधिपे स्वभे स्वोच्चे स्त्रीसुखं पूर्णमादिशेत् ॥ १ ॥

1st Sloka: O excellent of the Brahmins, listen to me detailing the effects of the Seventh house. If the Seventh lord is in his own sign or in exaltation, one will derive full happiness through his wife (and marriage).

कलत्रपो विना स्वक्षं व्ययपष्ठाष्ट मस्थितः ।
रोगिणीं कुरुते नारो तथा तुङ्गादिकं विना ॥२॥

2nd Sloka Sick Wife: Should the Seventh lord be in the 6th, 8th or the 12th, the wife will be sickly. This, however, does not apply to own house or exaltation placement as above. Notes: The placement of the Seventh lord in the 6th / 8th / 12th will cause a sickly wife. (Similarly, Venus in an evil house). If the said house happens to be exaltation or own sign, then this need not be feared. For example, Saturn in Capricorn for a Leo native or Venus in Pisces for an Aries native.

सप्तमे तु स्थिते स्थिते शुफेतीकामी भवेन्नरः ।
यत्र कुत्र स्थिते पापवृते स्त्रीमरणं भवेत् ॥ ३ ॥

3rd Sloka Excessive Libidinousness/Death of Wife: If Venus is in the Seventh, the native will be exceedingly libidinous. Venus joining a malefic in any house will cause loss of wife.

जायाधीशः शुभैर्युक्तो वृष्टो वा बलसंयुतः ।
तवा जातो धनी मानी सुखसौभाग्यसंयुतः ॥४॥
नीचे शत्रुगृहेऽस्ते या निर्बले च कलत्रपे ।
तस्यापि रोगिणी भार्या बहुभार्या नरो भवेत् ॥ ५ ॥

4-5 Sloka THE Seventh LORD: Should the Seventh lord be endowed with strength and be conjunct or be aspected by a benefic, the native will be wealthy, honorable, happy and fortunate. Conversely, if the Seventh lord is in fall or is combust or is in an enemy's sign, one will acquire sick wives and many wives.

Notes: Plurality of wives and sickness to them will come to pass with the Seventh lord's occupying his sign of debilitation or having got combust or inimical placement. There is more to the Seventh lord for plurality of wives than what it stated, as it will be evident from practical experience. However, this affliction to the Seventh lord will cause delays and disappointments in respect of marriage apart from sickness to spouse. If the Seventh lord is in an enemy's sign, the native's wife will scarcely honor him.

मन्दमे शुक्रमेहे वा जायाधीशे शुभेक्षिते ।
स्वोच्चगे तु विशेषेण बहुमार्यो नरो भवेत् ॥६॥

The points mentioned by Parasara was during the period where the human population is least in and the forecast given would vary to the current days where today's

population goes in billions. There research of various people who follows Vedic way of living, certain saintly living people are totally otherwise in reality when compared to Parasara had mentioned as they given up.

In today's world we can observe quite lot of people who couldn't satisfy their relations due to loss of natural organs related to intercourse and goes with artificial organs without nervous system.

This applies even to handicapped people with deformities as well.

Even the Sexual ratios differ a lot and we can see Male, Female and Third gender as well in today's world. This means natural deformities is more than the natural way of the people we have witnessed in past.

In today's research indicates, quite a lot of Male and female population are still not married. This includes quite a lot of people with Mangal Dosha. This means Astrologers play critical role when it goes through proper match making.

Even there are scenarios where people misinterpret the Nadi Dosha and lead to failures of Marriage.

Analysis and Hypothesis

Based on the interview with this person in real time. She is a female married.

			Rah Lag	Mer Rah	Mar	Maa	Moo
	Moola 29-August-1982 02:05:00 AM		Ven	Navamsa			Sun
	Rasi Longitude -76.13 Latitude +10.31		Sun	Jup Lag			Sat
Moo Ket		Mar Jup	Mer Sat				Ket

Dasa balance at birth = Ketu 2 Years, 7 Months, 21 Days

Fig 1: Rasi and Navamsa of the person

Now, as per the Sage Parasara, 7th house lord is Guru. Guru is placed in the fifth house along with Mars.

The various aspects of your married life are influenced by the 7th house.

Your 7th lord is in the 5th. Many men will seek your attention, even when you are quite young. Your education may be interrupted because of your romantic liaisons. When you finally get married, your husband will be from a fairly respectable or financially secure background. You will find your husband intelligent and informed. He will be broad-minded and will understand your need for freedom. You may tend to be over-submissive to your husband. The trust and affection apparent in your marriage should be cherished.

Your 7th lord is weak. As a mother, you may fail to get as much love and attention from your children as you would like. You will be sustained by faith, if you are religiously inclined. It will be unwise for you to compare your situation with other parent-child relationships.

A person from the west could make an ideal partner for you.

The Moon is in the 7th house; therefore, you will be naturally possessive and jealous, especially in romantic relationships. You are hasty in your speech, and thus might cause the annoyance of others. You may be separated from your mother fairly early in life. You may feel that as a child you did not get the consideration, care and advice that was necessary.

Ketu is in your 7th house. Your marriage may be delayed as it will take time to find a husband who meets your specifications. You will pay special attention to the health and care of your husband. He will be emotionally dependent on you. You may not find him demonstrative enough, either physically or emotionally. This should not be interpreted as a lack of interest in you.

Considering this woman, even though the Ascendant starts at Tiruvadira or Ardra Nakshatra, she happened to be a descendant of Lord Shiva deity.

This lady in real time is not exactly as defined in the point 8 above given by Parasara. This means most of the points on

indicative rather than accurate. This doesn't mean its implied to be wrong always.

There are multiple reasons for the same. One of the reasons is she happened to Advisor and intelligent wife. Moreover, Jupiter is in conjunction with Mars. The Mars is present in the 5th Cusp.

This doesn't mean the whole of Parasara has to be neglected. Rather it had to be read in complete to under the implications in real time and use the same.

The perspective of the women alone we are discussing here.

Conclusion

Please note all the points given by Parasara, has to be validated against current time period and real usage and it had to be read in relevance with various other authors to achieve the desired results.

This is similar to using Ephemeris or the actual computation of planets behaviour and send the rocket based on the physics. In reality, it has to be applied as required in both that is more accurate in nature and apply the same with lessons learned.
