## Alpha-numeric analysis of engineers cum arbitrators

**Jyotsnaa G Bansal**

**DOI:** <https://doi.org/10.22271/allresearch.2023.v9.i6a.10904>

### Abstract

“Numbers are the highest degree of knowledge. It is knowledge itself.”- Plato

“The world is built on the power of numbers.” Pythagoras

“Everything around you is numbers.” Shakuntala Devi.

The date, we were born on, was not an accident. Each number in our date of birth is connected with certain energies and vibrations. Similarly, each and every letter in our name (first as well as full name) also has particular frequency, energies and vibrations.

The combined and correlated energies of numbers and letters of an individual reveal about the past, present and future. The careful study of these universal divine energies can reveal, who you are, why you are here, where are you going and how will you get there.

In other words what is your personality, nature, thinking, and what is your future in terms of family career relationships and finances etc.

In this study, an attempt has been made to analyze -How certain patterns of name numbers and date of birth related core numbers can emerge as a directional guide for an individual to choose any specific career/profession (by studying the patterns of over 1100+ date of births and names of the Engineers cum Arbitrators).

**Keywords:** Arbitrator, engineer, numerology, alpha-numeric, Chaldean, name number, name analysis

### Introduction

To study the hidden patterns of the numbers of date of birth and the letters of an individual's name, by way of simple, easy and logical calculations of the required numbers, we should have in-depth knowledge of the divine science and cosmic language of numbers.

As someone has rightly quoted “The Universe tells its secrets through numbers”.

“Numbers don't lie.” Max Holloway

According to Dale Carnegie, “Names are the sweetest and most important sound in any language”. Whereas Rick Riordan (The Lightning Thief) emphasizes “Names have power”.

We all are born, on this earth, at a certain date and at a certain time. The numbers in our date of birth represent certain qualities, traits endowed by the universe to the native.

A name's letter combinations can reveal as much details as the date of birth numbers. Each letter in a person's name shows frequency depending upon its placing and position in the name and the letters with which it is paired.

This association and positioning of letters greatly influences the power of energies attached to a name. Each letter is symbolized by a specific planet and has certain years of activation period. Nikola Tesla “If you want to find the secrets of the universe, think in terms of energy, frequency and vibration”.

### a. Engineers

An Engineer can be defined as a person who uses scientific knowledge to design, construct & maintain engines, machines or structures such as Roads, railways, bridges, buildings etc. They are professionals with proper education in the field of engineering and are trained in or follow, as a profession, a branch of engineering.

**b. Arbitration:** Disputes happen frequently between parties in the world of business. Arbitration is the most preferred form of alternative dispute resolution.

Arbitration is a way of handling conflicts/disputes between parties without going to court. It is out of the court settlement of a dispute by one or more persons who are appointed as arbitrators by both the parties. Arbitral award is final and binding upon the parties.

In arbitration, an arbitrator is the presiding officer. In a court proceeding, the judges play a significant role in delivering justice, the same is in an arbitration proceeding. The arbitrators play important role in accomplishing the aim of arbitration (Resolving dispute).

**c. Arbitrator**

**Who is an arbitrator:** An independent person officially appointed to settle a dispute?

An arbitrator oversees a legal dispute between two parties-whether they're companies or individuals and listens to both sides of the story before coming to a conclusion.

In practice, the vast majority of arbitrators are lawyers, law professors or scholars, judges and other dispute resolution professionals.

However, arbitrators can be non-lawyer experts or business professional's expert in areas relevant to the dispute.

**d. Engineers cum Arbitrators**

Engineering arbitration can be described as-to settle engineering disputes through arbitration or reconciliation or other alternative methods.

They are highly qualified and well experienced Arbitrator Engineers having technical and professional engineering competence with great know-how of engineering intricacies, are empaneled/registered with established Arbitration organizations.

**Materials and Methods**

The date of birth of any individual is the very first numerical association of his or her life, consisting date, month and year. Second numerical analysis can be done by analyzing the name of any individual, with the combined concept of Alpha-Numeric system as per Chaldean Numerology.

**a. Materials**

Each and every number has a distinct direct or indirect influence on native's life. The following core numbers are calculated from the date of birth:

- **BN-Birth Number/Psychic Number:** It is the birth date (DD) of the native. If there is double digit birth date, it will be converted into single digit by adding both the digits.

**For example:** Date of Birth-16/09/1951.

Birth Number (BN) is  $16 = 1+6 = 7$ .

- **DN-Destiny Number/Life Path Number:** It is the total of complete date of birth of the native. If the total is in

double digit, it will also be converted into single digit by adding both the digits again. For example: Date of Birth-16/09/1951.

Destiny Number (DN) is  $1+6 + 0 + 9 + 1 + 9 + 5 + 1 = 32 = 3 + 2 = 5$

- **ZN-Zodiac Number/Sun Sign Number:** This is purely based on the Birth Month of the native & is assigned as per following table in Numerology.

**Table 1:** Zodiac sign indicating table according to dates slab and month of birth

Date slab and Month	Zodiac Name	Zodiac Number & Ruling Planet
21 <sup>st</sup> March to 20 <sup>th</sup> April	Aries	9-Mars
21 <sup>st</sup> April to 20 <sup>th</sup> May	Taurus	6-Venus
21 <sup>st</sup> May to 21 <sup>st</sup> June	Gemini	5-Mercury
22 <sup>nd</sup> June to 22 <sup>nd</sup> July	Cancer	2-Moon
23 <sup>rd</sup> July to 23 <sup>rd</sup> August	Leo	1-Sun
24 <sup>th</sup> August to 23 <sup>rd</sup> September	Virgo	5-Mercury
24 <sup>th</sup> September to 23 <sup>rd</sup> October	Libra	6-Venus
24 <sup>th</sup> October to 22 <sup>nd</sup> November	Scorpio	9-Mars
23 <sup>rd</sup> November to 21 <sup>st</sup> December	Sagittarius	3-Jupiter
22 <sup>nd</sup> December to 20 <sup>th</sup> January	Capricorn	8-Saturn
21 <sup>st</sup> January to 18 <sup>th</sup> February	Aquarius	4-Rahu
19 <sup>th</sup> February to 20 <sup>th</sup> March	Pisces	7-Ketu

And following numbers are calculated from the name:

- **FA-First Alphabet of the First Name:** It is the first initial letter of the first name of the native. For example: Name-Sh. Narendra Modi FA is N.
- **FNN-First Name Number:** It is the total of the first name of the native, as per the assigned numbers to the alphabets according to Chaldean Numerology.

**For example:** Name-Sh. Narendra Modi FNN will be calculated as follows:

N	A	R	E	N	D	R	A	= 25	FNN
5	1	2	5	5	4	2	1		2+5=7

- **NN-Full Name Number:** It is the total of the full name of the native, as per the assigned numbers to the alphabets according to Chaldean Numerology.

**For example:** Name-Sh. Narendra Modi.

N	A	R	E	N	D	R	A	
5	1	2	5	5	4	2	1	
M	O	D	I	25 + 16 = 41				NN
4	7	4	1					4+1=5

These are the most important numbers (apart from other numbers & sub-numbers) to analyze their impact in the native's life in terms of analyzing and predicting the Past, Present and Future events of the native's life.

**b. Methods**

There are several methods of numerology for name calculation. Here, we have followed the Chaldean Numerology System. (Table 2)

In Chaldean system, number 9 is considered as a divine number, hence not assigned to any alphabet.

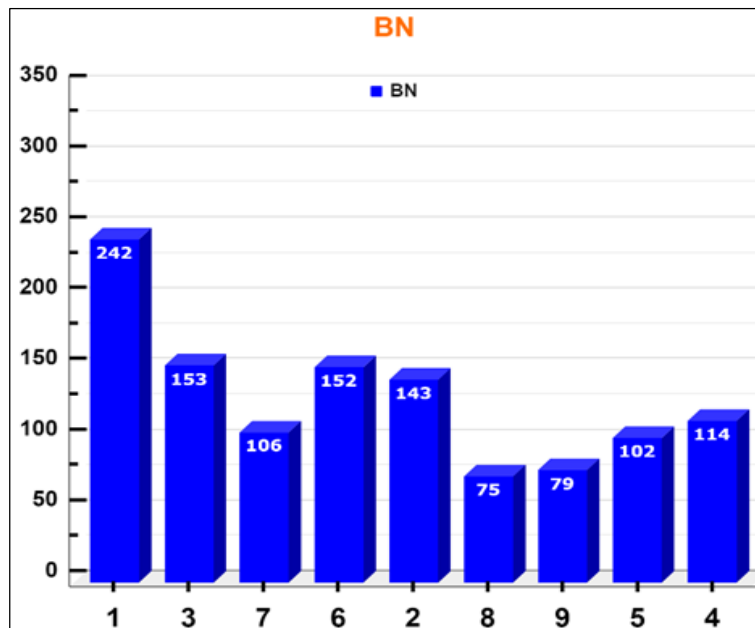

**Table 2: Chaldean Numerology System**

Letter	Number	Ruler
A, I, J, Q, Y	1	Sun
B, K, R	2	Moon
C, G, L, S	3	Jupiter
D, M, T	4	Rahu
E, H, N, X	5	Mercury
U, V, W	6	Venus
O, Z	7	Ketu
F, P	8	Saturn
--	9	Mars

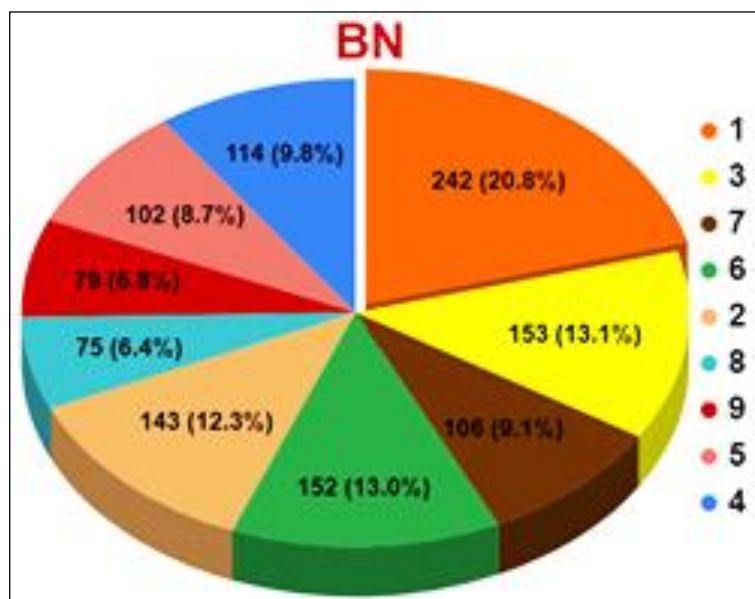

**Pictorial Formats of data with Data Analysis & Description**

The analysis is clearly shown by Bar & Pie Chart for Birth

Numbers. It indicates how the numbers' physical energy works as per the ruling planet.

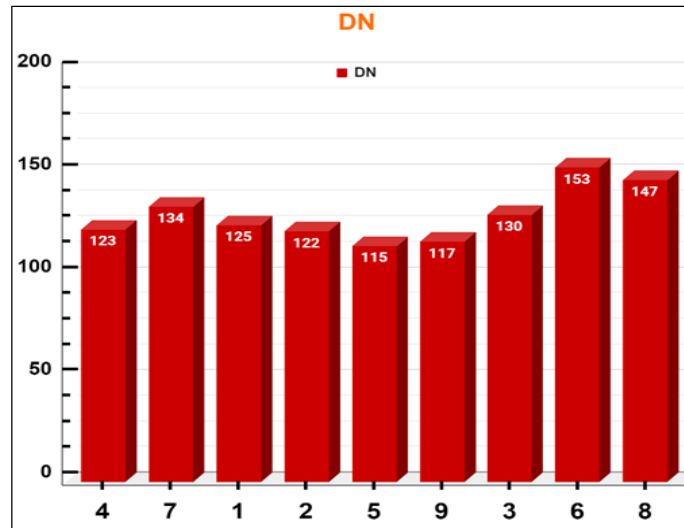

**Fig 1:** Bars indicating the Birth Numbers 1 to 9 & the corresponding frequency (numbers out of total data) of Engineers cum Arbitrators with the corresponding Birth Number (BN)

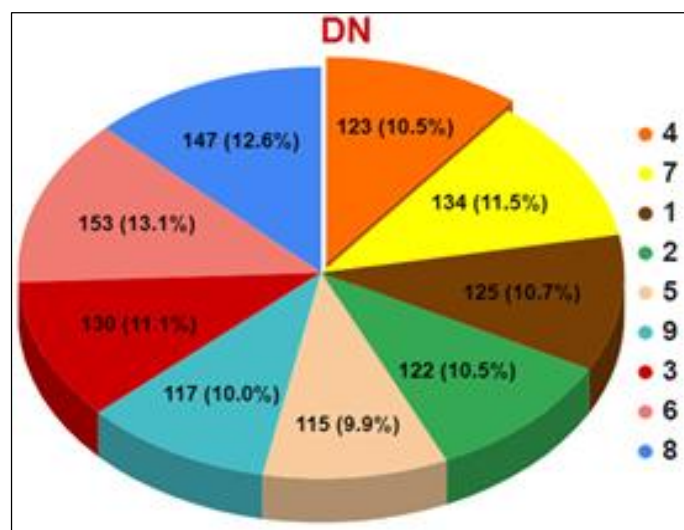

**Fig 2:** Pie Chart indicating the Birth Numbers 1 to 9 & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding Birth Number (BN)

The analysis is clearly shown by Bar & Pie Chart for Destiny Numbers. It indicates how the numbers' life path energy works as per the ruling planet.

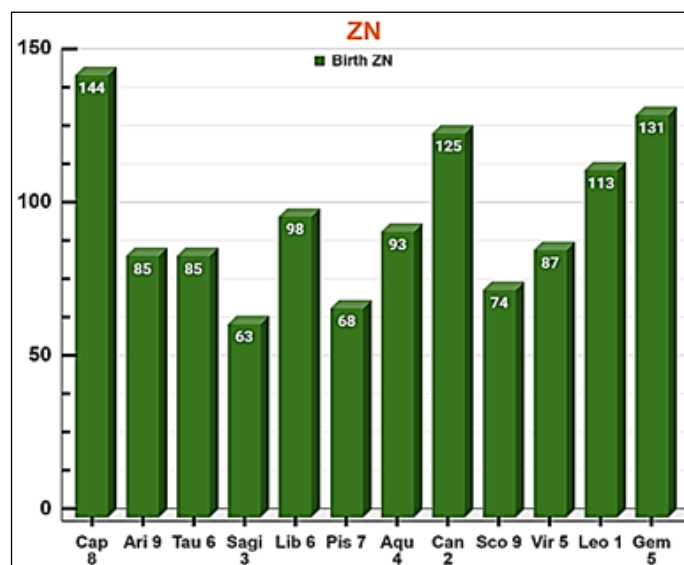

**Fig 3:** Bars indicating the Destiny Numbers 1 to 9 & the corresponding frequency (numbers out of total data) of Engineers cum Arbitrators with the corresponding Destiny Number (DN)

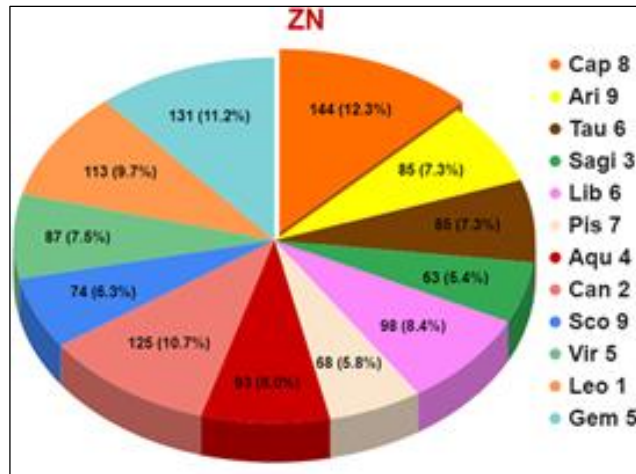

**Fig 4:** Pie Chart indicating the Destiny Numbers 1 to 9 & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding Destiny Number (DN)

The analysis is clearly shown by Bar & Pie Chart for Zodiac Numbers. Zodiac numbers are assigned as per Table 1. It

indicates how the numbers' growth energy works as per the ruling planet.

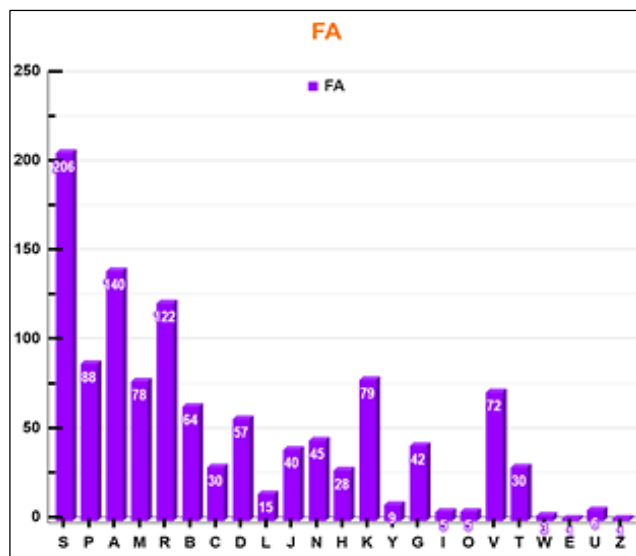

**Fig 5:** Bars indicating the Zodiac Signs & Zodiac Numbers & the corresponding frequency (numbers out of total data) of Engineers cum Arbitrators with the corresponding Zodiac (ZN)

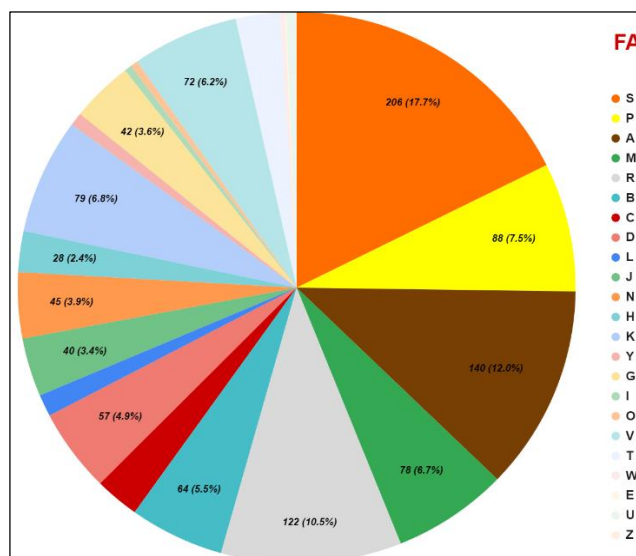

**Fig 6:** Pie Chart indicating the Zodiac Signs & Zodiac Numbers & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding Zodiac (ZN)

The analysis is clearly shown by Bar & Pie Chart for first letter of the first name. The bars are loudly indicating how powerful is the energy of first letter of the native's first

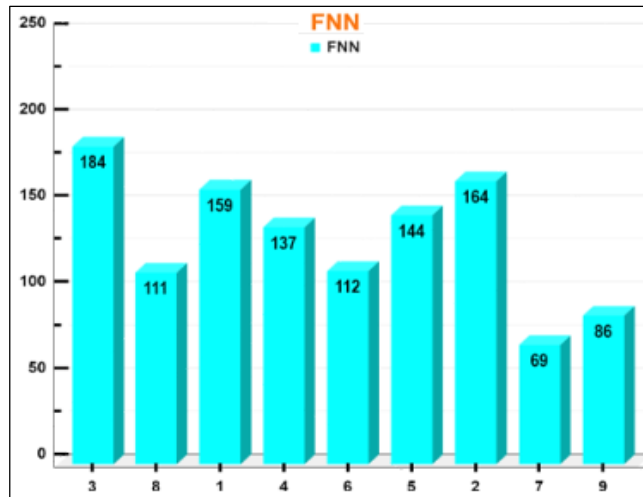

name & we can analyze it in correlation with the core numbers of date of birth, for getting proper results.

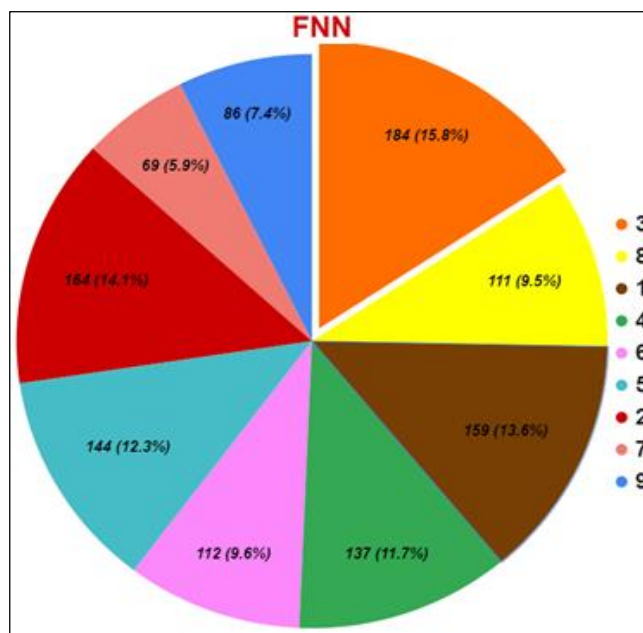

**Fig 7:** Bars indicating the first letter of the first name & the corresponding frequency (numbers out of total data) of Engineers cum Arbitrators with the corresponding First Alphabet (FA)

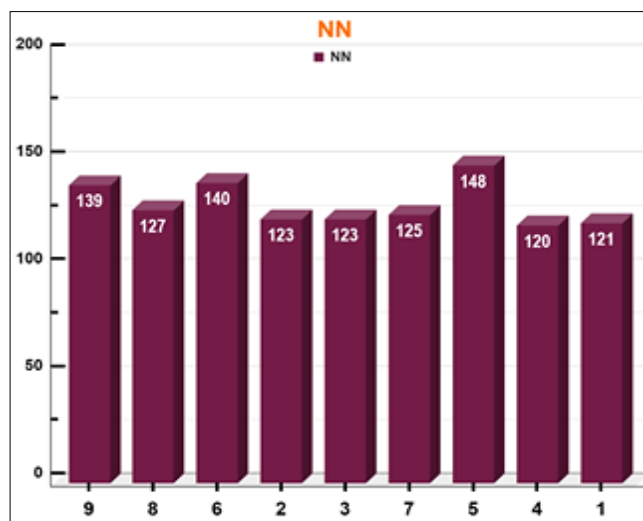

**Fig 8:** Pie Chart indicating the first letter of the first name & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding First Alphabet (FA)

**Fig 9:** Bars indicating the first letter of the first name number & the corresponding frequency (Numbers out of total data) of Engineers cum Arbitrators with the corresponding First Name Number (FNN)

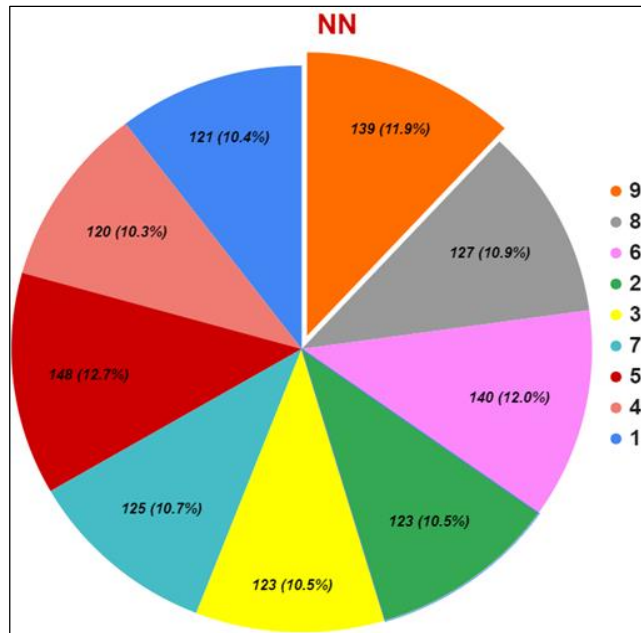

**Fig 10:** Pie Chart indicating the first name number & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding First Name Number (FNN)

**Fig 11:** Bars indicating the full name number & the corresponding frequency (numbers out of total data) of Engineers cum Arbitrators with the corresponding Full Name Number (NN)

**Fig 12:** Pie Chart indicating the full name number & the corresponding frequency (Numbers & percentage of total data) of Engineers cum Arbitrators with the corresponding Full Name Number (NN)

The above Bar & Pie Charts for First name number (Fig 9 & 10) & Full name number (Fig 11 & 12) clearly indicate that both names are equally important to achieve the life goal by the native. They can also be read & analyzed in correlation with the date of birth of the native to understand how the energy of numbers and alphabets work together with the energy of ruling planet in the native’s life.

**Collected DOBs of engineers cum arbitrators**

For this research study, 1100+ data is collected but only 55 date of births are being shared here due to scarcity of space.

(Data Source: Google, Wikipedia, Online social media platforms)

**Note**

- For calculating the name numbers, Chaldean method has been used.
- No prefixes (Dr., Col. or any other salutation) are considered for name number calculation.
- Names (First name and Full name) are as per records available publicly.

**Disclaimer**

All the sourced data is as per records available publicly on online platforms.

The correlation of date of birth and individual's name related numbers are for research purpose only. These are not set guidelines or rules for any individual to choose their stream of career or profession. This alpha-numeric analysis is conducted purely for research-based study only.

**Conclusion**

The above data analysis & research clearly says that each & every number has its own potential to achieve the goals of life, but another point is that the combination of core numbers of date of birth and name numbers define the struggles of life onto the same path.

**Summary**

The birth date is of great importance in any individual's life as Nathanel West said, "Numbers constitute the only universal language".

But if we observe in our daily life, we are recognized by names only. So, names hold a big importance apart from birth date. Each name is special and unique in its own way.

A Japanese proverb clearly supports the above statement,

**Tigers die and leave their skins; people die and leave their names**

Every time your name is spoken or called, its sound waves vibrate through the air, reinforcing your connection to its frequency, energy and vibrations.

Through the letter of our names, we can know/ find out the current energy patterns of our soul.

So, our name is a tool to identify our energy patterns & connect with the universal energies.

**Acknowledgement**

The author is grateful for the constant support of her husband & children, blessings of her parents, gurus,

mentors, God Shiva & senior authors, who wrote their researches & understanding about numbers into a book for numerology learners, seekers & researchers, for studying & spreading the Divine Science of Numbers across the globe. Special thanks to Mr. Abhishaik Chitraans for his in-depth & unique teachings about numbers & the encouragement to see numbers & names from a different perspective. Without his motivation & support, this research would not have taken place.
